Dear Chairman Powell and Commission members

Eliminating or reducing restrictions on media ownership  
will stifle public discourse, diversity of opinion,  
and threaten the foundation of democracy on which  
the nation is built. Concentrating media ownership in the  
hands of a few corporations does not serve  
the public interest; it will construct the stage for  
opinion and a healthy democratic process. What some  
media corporations are suggesting for broadening their  
ownership will be detrimental to our country. Increasing  
their monetary effort further is not acceptable, to reduce  
our freedom of expression is unacceptable. Richard  
E. Smith, Jr.

Dear FCC Chairman Powell,

I am writing to ask you to please protect freedom of speech and diversity of representation in our media! **Please do NOT weaken media consolidation rules** that make it possible for a range of voices to be heard across our nation.

While open competition is important to most industries, it is absolutely crucial in media, where monopolies weaken culture and society, and create censorship of ideas. Please do NOT allow further media consolidation!

Thank you very much. Sincerely,
